

## About the College:

Narasaraopeta Institute of Pharmaceutical Sciences (NIPS), established in 2007, aims to provide quality pharmacy education with human values to rural aspirants to meet the requirements of pharmaceutical industry and health needs of the society, and to achieve the excellence in pharmaceutical research. The College has introduced the course of Pharm.D, for the first time under the JNTUK Kakinada. The college has well experienced teaching staff and 16 well equipped laboratories. The college is furnished with well developed infrastructure and well-defined instrumentation facilities. NIPS is an ISO 9001:2015 certified institution and approved by Pharmacy Council of India (PCI) & All Indian Council for Technical Education (AICTE), New Delhi, Government of Andhra Pradesh and affiliated to JNTUK, Kakinada.

## Objective:

The object of the Skill Oriented value added Certification program on Good Professional Practices at Pharmaceutical Manufacturing (GP3M Certification Program) is valued addition & transfer the student's academic knowledge to skilled professional through various easy learning processes, modules and symposiums, operating manuals, lively advanced machine operations, standard operating procedures (SOP's), operating protocols etc. on par with international pharmaceutical regulatory requirements.

## Learning Outcomes:

1. Development of industry skills on Manufacturing Industries,
2. Development of industry skills on Process Flow of Pharmaceutical Manufacturing.
3. Applications of Manufacturing Equipment, Installation, operational procedures & Qualification process.

## About the College:

Narasaraopeta Institute of Pharmaceutical Sciences (NIPS), established in 2007, aims to provide quality pharmacy education with human values to rural aspirants to meet the requirements of pharmaceutical industry and health needs of the society, and to achieve the excellence in pharmaceutical research. The College has introduced the course of Pharm.D, for the first time under the JNTUK Kakinada. The college has well experienced teaching staff and 16 well equipped laboratories. The college is furnished with well developed infrastructure and well-defined instrumentation facilities. NIPS is an ISO 9001:2015 certified institution and approved by Pharmacy Council of India (PCI) & All Indian Council for Technical Education (AICTE), New Delhi, Government of Andhra Pradesh and affiliated to JNTUK, Kakinada.

## Objective:

The object of the Skill Oriented value-added Certification program on Pharmacovigilance is valued addition & transfer the student's academic knowledge to skilled professional. Pharmacovigilance is defined as "the science and activities relating to the detection, assessment, understanding and prevention of adverse effects or any other medicine/vaccine related problem".

The main objective behind including Pharmacovigilance is in order to impart the clinical importance of drugs and its side effects in patient monitoring.

## Learning Outcomes:

1. To understand and analyse safe, rational and effective use of medicines.
2. To improve patient utility by taking care and safety use on medicines
3. To improve the health of patients.
4. To educate in Pharmacovigilance and to improve its usage to public by effective communication.

## REPORT

Name of the program: "DRUG DESIGN AND DEVELOPMENT".

Tenure: 30 April 2021 to 29 May 2021.

Course Faculty cum Resource person details:

Dr. Garikapati Devala Rao Professor and Principal at KVSR Siddhartha.

No. of students enrolled: 16      No. of students certified: 14

Narasaraopeta Institute of Pharmaceutical Sciences, Narasaraopet organised a certificate program on "DRUG DESIGN AND DEVELOPMENT" for M.Pharmacy students by Dr. Garikapati Devala Rao Professor and Principal at KVSR Siddhartha, from 30 April 2021 to 29 May 2021. This program covered the given below objectives and learning outcomes.

Objective:

1. To get awareness on inventive process of finding new medications based on the knowledge of a biological target.
2. To motivate students regarding the importance of research and drug invention
3. To create awareness on important and advanced tools placing role in drug design.

Duration: 32 Hours

Module: Seminar Classes

Dates: 30 April 2021 to 29 May 2021

Learning Outcomes:

1. Strategies involved in drug discovery.
2. Process and approvals necessary for drug discovery.
3. Use of CAD in Drug Discovery.

## About the College:

Narasaraopeta Institute of Pharmaceutical Sciences (NIPS), established in 2007, aims to provide quality pharmacy education with human values to rural aspirants to meet the requirements of pharmaceutical industry and health needs of the society, and to achieve the excellence in pharmaceutical research. The College has introduced the course of Pharm.D, for the first time under the JNTUK Kakinada. The college has well experienced teaching staff and 16 well equipped laboratories. The college is furnished with well developed infrastructure and well-defined instrumentation facilities. NIPS is an ISO 9001:2015 certified institution and approved by Pharmacy Council of India (PCI) & All Indian Council for Technical Education (AICTE), New Delhi, Government of Andhra Pradesh and affiliated to JNTUK, Kakinada.

## Objective:

The object of the Skill Oriented value-added Certification program on Pharmacovigilance is valued addition & transfer the student's academic knowledge to skilled professional. Clinical data analytics course is desired to validate the results of scientific experiments. Course is designed to develop and manage databases for healthcare organizations and commonly work in a clinical setting.

The main objective behind including Clinical Data Analytics is to create a broad scope on industrial work and application of softwares in data interpretation with results.

## Learning Outcomes:

1. To review, extract, compile and analyse patient data.
2. To validate the result and draw a conclusion from clinical trials.
3. To improve the health of patients.
4. To apply the knowledge of statistics in results and validate them.

## Patrons:
