

About the College:

Narasaraopeta Institute of Pharmaceutical Sciences (NIPS), established in 2007, aims to provide quality pharmacy education with human values to rural aspirants to meet the requirements of pharmaceutical industry and health needs of the society, and to achieve the excellence in pharmaceutical research. The College has introduced the course of Pharm.D, for the first time under the JNTUK Kakinada. The college has well experienced teaching staff and 16 well equipped laboratories. The college is furnished with well developed infrastructure and well-defined instrumentation facilities. NIPS is an ISO 9001:2015 certified institution and approved by Pharmacy Council of India (PCI) & All Indian Council for Technical Education (AICTE), New Delhi, Government of Andhra Pradesh and affiliated to JNTUK, Kakinada.

Objective:

The object of the Skill Oriented value added Certification program on Good Professional Practices at Pharmaceutical Manufacturing (GP3M Certification Program) is valued addition & transfer the student's academic knowledge to skilled professional through various easy learning processes, modules and symposiums, operating manuals, lively advanced machine operations, standard operating procedures (SOP's), operating protocols etc. on par with international pharmaceutical regulatory requirements.

Learning Outcomes:

1. Development of industry skills on Manufacturing Industries,
2. Development of industry skills on Process Flow of Pharmaceutical Manufacturing.
3. Applications of Manufacturing Equipment, Installation, operational procedures & Qualification process.

About the College:

Narasaraopeta Institute of Pharmaceutical Sciences (NIPS), established in 2007, aims to provide quality pharmacy education with human values to rural aspirants to meet the requirements of pharmaceutical industry and health needs of the society, and to achieve the excellence in pharmaceutical research. The College has introduced the course of Pharm.D, for the first time under the JNTUK Kakinada. The college has well experienced teaching staff and 16 well equipped laboratories. The college is furnished with well developed infrastructure and well-defined instrumentation facilities. NIPS is an ISO 9001:2015 certified institution and approved by Pharmacy Council of India (PCI) & All Indian Council for Technical Education (AICTE), New Delhi, Government of Andhra Pradesh and affiliated to JNTUK, Kakinada.

Objective:

The object of the Skill Oriented value-added Certification program on Pharmacovigilance is valued addition & transfer the student's academic knowledge to skilled professional. Clinical data analytics course is desired to validate the results of scientific experiments. Course is designed to develop and manage databases for healthcare organizations and commonly work in a clinical setting. The main objective behind including Clinical Data Analytics is to create a broad scope on industrial work and application of softwares in data interpretation with results.

Learning Outcomes:

1. To review, extract, compile and analyse patient data.
2. To validate the result and draw a conclusion from clinical trials.
3. To improve the health of patients.
4. To apply the knowledge of statistics in results and validate them.

About the College:

Narasaraopeta Institute of Pharmaceutical Sciences (NIPS), established in 2007, aims to provide quality pharmacy education with human values to rural aspirants to meet the requirements of pharmaceutical industry and health needs of the society, and to achieve the excellence in pharmaceutical research. The College has introduced the course of Pharm.D, for the first time under the JNTUK Kakinada. The college has well experienced teaching staff and 16 well equipped laboratories. The college is furnished with well developed infrastructure and well-defined instrumentation facilities. NIPS is an ISO 9001:2015 certified institution and approved by Pharmacy Council of India (PCI) & All Indian Council for Technical Education (AICTE), New Delhi, Government of Andhra Pradesh and affiliated to JNTUK, Kakinada.

Objective:

1. To gain knowledge on good manufacturing practises to be followed in Industries.
2. Standard parameters to be followed in implementation of Good Manufacturing Practises.
3. Practical implementation skills on GMPs in laboratories.

Learning Outcomes:

1. Need for GMP in laboratory.
2. Standards to be followed in GMP at different levels.
3. Differentiating the practical implementation followed in industries, academics, hospitals and so on
