REPORT

Date: 07.09.2016

Name of the program: Teachers Day celebrations

Date of the program: 05.09.2016

A **Teacher** is someone who acts as a guide and inspiration to people – both young and old. He/she is charged with the responsibility of creating awareness as well as opening the mind of people by instilling values, morals, and ethics.

Teachers efforts are recognized during the teacher's day. They shape minds, and we annually celebrate their contribution to the development of society in the form of Teachers' day commemorating the birth anniversary on Dr. Sarvepalli Radha Krishnan every year on 5th of september.

Programme started with Paying tributes to Dr. Sarvepalli Radha Krishnan later by the addressing of Honorable chairman Sri. Mittapalli Venkata Koteswara rao Garu who said that teachers are the backbone of every person's life. It is the teacher that teaches students the new meaning of life. He shared that teachers show the right path and stop students from doing anything wrong. Teachers mould the student's personality. They are the only selfless person that happily gives children all their knowledge.

Followed by speech of the principal who threw some light on value of publications to a faculty profile and encouraged the faculty to keep themselves updated with the changing trends.

Programme ended up by distribution of sweets to the faculty.
