ANNUAL SPORTS REPORT:

From past 17 Years,NIPS Sports Department looking as Sports plays a vital role in the holistic development of students and NEC Group of institutions have recognized this and increasingly focus on promoting sports to foster physical health, teamwork, discipline, and leadership skills.

Effective sports promotion can transform the educational experience, making it more engaging and enriching for students. Regular physical activity through sports helps in maintaining a healthy body, reducing the risk of obesity, cardiovascular diseases, and other health issues. Sports activities can significantly improve mental health by reducing stress, anxiety, and depression. There is a positive correlation between physical activity and academic performance. Sports can enhance cognitive function, concentration, and classroom behavior. Participating in sports helps students develop essential social skills such as teamwork, communication, and leadership.

Sports teach valuable life lessons like perseverance, discipline, time management, and dealing with success and failure. Incorporating sports and physical education into the curriculum ensures that all students have the opportunity to engage in regular physical activity.

Narasaraopeta institute of pharmaceutical sciences follows different Strategies for Promoting Sports in NEC Group of institutions, providing adequate sports facilities such as playgrounds, courts & equipments

Safe and well-maintained infrastructure encourages students to participate in various sports activities organizing by different colleges in the AY 2024-2025& awarding prizes as mention below.
