On 25-01-25, 10.30 a.m., our college team arrived at IDA Park, Kondapalli. When we arrived at the company, we were greeted by HR and production officials who drove us to a conference room where we introduced ourselves to HR and Production personnel, and industry representatives then introduced themselves to the students.

## About the Company:

Nifty Labs, established in 2005, is headquartered in Hyderabad, India. The company manufactures Active Pharmaceutical Ingredients (APIs) and their Advanced Intermediates alongside semi-finished formulations (Pellets) through a wholly-owned subsidiary, Nifty Pharma. Nifty's team brings over 15 years of experience delivering best-in-class products through GMP-compliant facilities with full health and safety accreditations.

After the presentation, they offered us Snacks, Further plant visit and engagement with the industrial persons. The HR personnel and Production Heads drove us to visit different departments like warehouse, QC, Production and Quality assurance departments and testing centres.

We had a great experience in the industry. Departmental HODs provide us with information on their respective departments in all departments. Furthermore, our Students took photographs of the industry campus before we left. We arrived to college on 25-01-25 at 07:00 PM. The students had a good time and learned a lot.

## **INDUSTRIAL VISIT REPORT**

**NAME OF INDUSTRY:** ANDHRA PRADESH MEDTECH ZONE (AMTZ) & ANDHRA PRADESH INNOVATION SOCIETY (APIS), VISHAKPATNAM, ANDHRA PRADESH, PIN: 530031.

The visit was organized with the prior permission and guidance of Hon. Principal - **Dr.J.N.Suresh Kumar** and Coordinator of Industry- Institute, Interaction committee (IIIC) **Mr.P.Adinarayana Reddy**

**Trip Coordinators Mrs .V.Swathi & Ms.Durga Bhavani**

Fourth-year students from Narasaraopeta institute of pharmaceutical sciences visited one of the leading medical technology park, **ANDHRA PRADESH MEDTECH ZONE (AMTZ) ANDHRA PRADESH INNOVATION SOCIETY (APIS)**, from 31-05-24 to 01-06-24 (Friday to Saturday). **ANDHRA PRADESH MEDTECH ZONE (AMTZ)** is located at AMTZ Campus, Visakhapatnam, and Andhra Pradesh. This industrial tour drew a total of 17 students and two faculty members. This company is primarily involved in the manufacturing of medical devices, Amphenol sensors(manufacturing of automobiles), Bulk oxygen and nitrogen packaging, Ethylene oxide sterilization equipment, deck mount electronics, oxygen concentrators, Gamma irradiation centre(cobalt sterilization) 3D printing, mass production of plastic, medical scanning etc.. At 10.30 a.m., our college team arrived at the AMTZ. When we arrived at the company, we were greeted by HR and production officials who drove us to a conference room where we introduced ourselves to HR and Production personnel, and industry representatives then introduced themselves to the students.

## OFFICE ORDER

### **Sub: Re-constitution of Industry Institute Intraction Committee (IIC)-Reg**

The Industry Institute Interaction Committee (IIIC) was established on 29<sup>th</sup> November 2021 at Narasaraopeta Institute of pharmaceutical Sciences (NIPS) established to strengthen the relationship between industry and institute. IIIC pave the path to design the curriculum, align with industry and career development program to make student industry ready. It acts as a nodal point to showcase the best practices and advanced technologies in industry. In addition, IIIC provides an excellent platform for students as well as the faculty members to march forward in parallel with industry by knowing their expectations from the graduates.

### **OBJECTIVES:**

1. To bridge the gap between academia and industry to make student employable.
2. To establish Centre of Excellence by industry to provide an opportunity to work in real time projects.
3. To promote various collaborative activities by the faculty members and students with industry.
4. To make awareness on industry trends & opportunities

### **RESPONSIBILITIES:**

1. Collaborative research works by faculty and industry person
2. Organizes industrial visit to students/faculty
3. Arranges visit of industrial people to institute and delivering lectures on advancements in technology
4. Signing of Memorandum of Understating between institute and industry/higher education institute to bring both parties strategically closer
5. Organizing workshops, conferences and symposia jointly to explore advance technologies
6. Involves experts from industry/research organization in curriculum development
7. Pave path for internship/project work of UG and PG students in industry
8. Organizes skill-oriented program for student and faculty in industry

## **INDUSTRY INSTITUTE INTERACTION COMMITTEE (IIIC)**

### **VISION:**

The main vision of the Industry Institute Interaction Committee (IIIC) is to enhance the industry relevance of the institute's programs, curriculum, and research activities to cultivate the strong links with industry.

### **MISSION:**

To promote various industrial activities by the faculty members and students

To catalyse the further growth and development of interaction between the Institute and Industry

To have a closer linkage and promote research suited to industry needs, and consultancy which creates a sense of owning among faculty members

To provide continuing education to people working in industries so that they can upgrade their technical knowledge, and / or obtain higher degrees; this orients the faculty members towards the industry from the portals of College i.e. Academics.

To evolve educational programmes which are consistent with the broad requirements of the industry and which can give rise to managerial personnel capable of coping-up with the accelerating pace of the technological development.

To coordinate the research and developmental activities of the two systems

## **INDUSTRY INSTITUTE INTERACTION COMMITTEE (IIIC)**

The Industry Institute Interaction Committee (III Committee) at Narasaraopeta Institute of Pharmaceutical Sciences (NIPS) is a committee established to foster collaboration, cooperation, and interaction between the institute and industries. The committee acts as a bridge between academia and industry, facilitating partnerships, knowledge exchange, and practical exposure for students and faculty members.

The main objective of the Industry Institute Interaction Committee is to enhance the industry relevance of the institute's programs, curriculum, and research activities. It aims to bridge the gap between theoretical knowledge gained in the classroom and its practical application in real-world industry settings. The committee facilitates industry visits, internships, guest lectures, and collaborative projects to provide students with exposure to industry practices and requirements.

### **The responsibilities and functions of an institute's Industry Institute Interaction Committee may include:**

1. Identifying potential industry partners and establishing collaborations with them for various academic and research initiatives.
2. Organizing industry visits, internships, and industrial training programs to expose students to real-world work environments and industry practices.
3. Arranging guest lectures, workshops, seminars, and conferences with industry experts to share their knowledge and experiences with students and faculty.
4. Facilitating joint research projects, consultancy services, and industry-sponsored research programs.
5. Promoting entrepreneurship and industry-driven innovation among students by organizing entrepreneurship development programs, start-up incubation support, and industry mentoring.
6. Creating and maintaining a database of industry contacts, opportunities, and resources for students and faculty members.
7. Assisting students in securing placements and internships in reputed companies through industry tie-ups and campus recruitment drives.
8. Conducting industry surveys and market research to identify emerging trends, skill requirements, and industry expectations for curriculum development and program updates.
9. Organizing industry-focused skill development programs, workshops, and training sessions to enhance the employability of students.
10. Monitoring and evaluating the effectiveness of industry interactions and initiatives to assess their impact on student learning outcomes and employability.
