Guidelines for the Creation of the Internal Quality Assurance Cell (IQAC) and Submission of Annual Quality Assurance Report (AQAR) in Accredited Institutions.

Introduction

In pursuance of its Action Plan for performance evaluation, assessment and accreditation and quality up-gradation of institutions of higher education, the National Assessment and Accreditation Council (NAAC), Bangalore proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of the institution's system and work towards realisation of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. For this, during the post-accreditation period, institutions need to channelize its efforts and measures towards promoting the holistic academic excellence including the peer committee recommendations.

The guidelines provided in the following pages will guide and facilitate the institution in the creation and operation of the Internal Quality Assurance Cell (IQAC). The work of the IQAC is the first step towards internalization and institutionalization of quality enhancement initiatives. Its success depends upon the sense of belongingness and participation in all the constituents of the institution. It will not be yet another hierarchical structure or a record-keeping exercise in the institution. It will be a facilitative and participative voluntary system/unit/organ of the institution. It has the potential to become a vehicle for ushering in quality enhancement by working out planned interventionist strategies by IQAC to remove deficiencies and enhance quality like the "Quality Circles" in industries.

IQAC – Vision

To ensure quality culture as the prime concern for the Higher Education Institutions through institutionalizing and internalizing all the initiatives taken with internal and external support.

Objective

The primary aim of IQAC is

- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

Strategies

IQAC shall evolve mechanisms and procedures for:

- a) Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks.
- b) Relevant and quality academic/ research programmes.
- c) Equitable access to and affordability of academic programmes for various sections of society.
- d) Optimization and integration of modern methods of teaching and learning.
- e) The credibility of assessment and evaluation process.
- f) Ensuring the adequacy, maintenance and proper allocation of support structure and services.
- g) Sharing of research findings and networking with other institutions in India and abroad.

Functions

Some of the functions expected of the IQAC are:

- a) Development and application of quality benchmarks
- b) Parameters for various academic and administrative activities of the institution;
- c) Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process;
- d) Collection and analysis of feedback from all stakeholders on quality-related institutional processes;
- e) Dissemination of information on various quality parameters to all stakeholders;
- f) Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles;
- g) Documentation of the various programmes/activities leading to quality improvement;
- h) Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices;
- i) Development and maintenance of institutional database through MIS for the purpose of maintaining /enhancing the institutional quality;
- j) Periodical conduct of Academic and Administrative Audit and its follow-up
- k) Preparation and submission of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC.

Benefits

IQAC will facilitate / contribute to:

- a) Ensure clarity and focus in institutional functioning towards quality enhancement.
- b) Ensure internalization of the quality culture.
- c) Ensure enhancement and coordination among various activities of the institution and institutionalize all good practices.
- d) Provide a sound basis for decision-making to improve institutional functioning.
- e) Act as a dynamic system for quality changes in HEIs.
- f) Build an organised methodology of documentation and internal communication.

Composition of the IQAC

IQAC may be constituted in every institution under the Chairmanship of the Head of the institution with heads of important academic and administrative units and a few teachers and a few distinguished educationists and representatives of local management and stakeholders.

The composition of the IQAC may be as follows:

1. Chairperson: Head of the Institution
2. Teachers to represent all level (Three to eight)
3. One member from the Management
4. Few Senior administrative officers
5. One nominee each from local society, Students and Alumni
6. One nominee each from Employers /Industrialists/Stakeholders
7. One of the senior teachers as the coordinator/Director of the IQAC.

The composition of the IQAC will depend on the size and complexity of the institution, accordingly the representation of teachers may vary. It helps the institutions in planning and monitoring. IQAC also gives stakeholders or beneficiaries a cross-sectional participation in the institution's quality enhancement activities.

The guidelines given here are only indicative and will help the institutions for quality sustenance activities. The membership of such nominated members shall be for a period of two years. The IQAC should meet at least once in every quarter. The quorum for the meeting shall be two-third of the total number of members.

The agenda, minutes and Action Taken Reports are to be documented with official signatures and maintained electronically in a retrievable format. It is necessary for the members of the IQAC to shoulder the responsibilities of generating and promoting awareness in the institution and to devote time for working out the procedural details. While selecting these members several precautions need to be taken.

A few of them are listed below:

- ❖ It is advisable to choose persons from various backgrounds who have earned respect for integrity and excellence in their teaching and research. Moreover, they should be aware of the ground realities of the institutional environment. They should be known for their commitment to improving the quality of teaching and learning.
- ❖ It is advisable to change the co-ordinator after two to three years to bring new thoughts and activities in the institution.
- ❖ It would be appropriate to choose as senior administrators, persons in charge of institutional services such as library, computer centre, estate, student welfare, administration, academic tasks, examination and planning and development.
- ❖ The management representative should be a person who is aware of the institution's objectives, limitations and strengths and is committed to its improvement. The local society representatives should be of high social standing and should have made significant contributions to society and in particular to education

The role of the Coordinator

- ❖ The role of the coordinator of the IQAC is crucial in ensuring the effective functioning of all the members.
- ❖ The coordinator of the IQAC may be a senior/competent person with experience and exposure in quality aspects.
- ❖ She/he may be a full-time functionary or, to start with, she/he may be a senior academic /administrator entrusted with the IQAC as an additional responsibility.
- ❖ Secretarial assistance may be facilitated by the administration.
- ❖ It is essential that the coordinator may have sound knowledge about the computer, data management and its various functions such as usage for effective communication.

The Institutions are requested to submit the AQAR after one year from date of Accreditation every year. A functional Internal Quality Assurance Cell (IQAC) and timely submission of Annual Quality Assurance Reports (AQARs) are the Minimum Institutional Requirements (MIR) to volunteer for second, third or subsequent cycle's accreditation. During the institutional visit the NAAC peer teams will interact with the IQACs to know the progress, functioning as well as quality sustenance initiatives undertaken by them.

The Annual Quality Assurance Report (AQAR) may be the part of the Annual Report. The AQAR shall be approved by the statutory bodies of the HEIs (such as Governing Council/ Executive Council/Board of Management) for the follow up action for necessary quality enhancement measures.

Action taken report:

Agenda Point	Action Taken Report
1. Confirmation of the Minutes and Action Taken Report (ATR) of the Previous IQAC Meeting.	The minutes and Action Taken Report (ATR) of the previous IQAC meeting were reviewed, confirmed, and approved by all members. The progress of previously resolved items was found to be satisfactory.
2. Review of Academic Performance and Mid-Semester Progress of All Programmes.	Academic progress and syllabus completion of all programmes were reviewed. Heads of Departments were instructed to ensure timely completion of the remaining syllabus and to provide additional academic support wherever necessary.
3. Discussion on Strengthening Outcome-Based Education (OBE) Implementation and CO-PO Attainment Analysis.	Departments were directed to strengthen Outcome-Based Education (OBE) practices by improving CO-PO mapping, assessment methods, and attainment analysis. Faculty members were advised to implement corrective measures based on attainment results.
4. Review of Student Mentoring System and Slow & Advanced Learner Support Activities.	The mentoring system was reviewed, and mentors were instructed to maintain regular interaction with students. Departments were advised to organize remedial classes for slow learners and advanced learning opportunities such as seminars, projects, and research activities for high-performing students.
5. Planning for Academic, Research, and Extension Activities for the Upcoming Semester.	A semester-wise schedule of academic, research, extension, and outreach activities was prepared. Departments were instructed to organize seminars, workshops, community outreach programmes, and research-oriented events as per the academic calendar.
6. Discussion on Industry-Institute Interaction, Internship, MoUs, and Collaborative Activities.	Departments were encouraged to strengthen industry collaborations through MoUs, internships, industrial visits, expert lectures, and collaborative research activities to enhance students' practical exposure and employability.
7. Review of Placement, Higher Education, and Career Guidance Initiatives.	Placement activities and higher education support were reviewed. The Training and Placement Cell was instructed to organize placement drives, aptitude training, career guidance sessions, competitive examination coaching, and higher education awareness programmes.
8. Planning for Institutional Best Practices, Quality Initiatives, and NIRF/Innovation Activities.	It was resolved to document institutional best practices and strengthen quality initiatives. Departments were instructed to actively participate in innovation, entrepreneurship, and ranking-related activities and to maintain supporting documentation for institutional quality improvement.

Agenda Point	Action Taken Report
9. Review of Infrastructure Development, Digital Learning Resources, and Laboratory Upgradation.	Existing infrastructure, digital learning resources, and laboratory facilities were reviewed. Necessary proposals for laboratory modernization, procurement of equipment, enhancement of ICT facilities, and maintenance of existing infrastructure were approved for implementation.
10. Any Other Matter with the Permission of the Chair.	Members discussed additional measures to improve academic quality, research culture, student welfare, and institutional governance. The suggestions were accepted, and the concerned departments were instructed to implement them in a phased manner and submit compliance reports to IQAC.

Action taken report:

Agenda Point	Action Taken Report
1. Review of Academic and Administrative Quality Assurance Activities for the Academic Year 2026–27.	The quality assurance activities planned for the academic year 2026–27 were reviewed. Departments were instructed to implement the proposed quality initiatives as per the IQAC action plan and submit periodic progress reports.
2. Discussion on Strengthening Teaching–Learning Processes through ICT-enabled and Student-Centric Methods.	Faculty members were encouraged to adopt ICT-enabled teaching tools, Learning Management Systems (LMS), virtual learning resources, and student-centric pedagogical approaches such as experiential learning, project-based learning, and flipped classrooms to enhance teaching effectiveness.
3. Planning for Academic and Administrative Audit (AAA) and Internal Quality Audit.	The schedule for conducting Academic and Administrative Audit (AAA) and Internal Quality Audit was finalized. Audit committees were constituted, and departments were instructed to maintain updated records and supporting documents for evaluation.
4. Review of Feedback Collection, Analysis, and Action Taken from Stakeholders.	Feedback from students, faculty, alumni, employers, and parents was reviewed. Departments were instructed to analyze the feedback systematically and implement appropriate corrective measures. Action Taken Reports (ATRs) were prepared for identified areas of improvement.
5. Discussion on Enhancing Research, Consultancy, Innovation, and IPR Activities.	Faculty members were encouraged to increase research publications, funded research projects, consultancy activities, patent filings, and innovation initiatives. Departments were advised to organize research-oriented activities and motivate students to participate in innovation and entrepreneurship programs.
6. Planning of Faculty Development Programmes (FDPs), Workshops, Seminars, and Guest Lectures.	An annual schedule for FDPs, workshops, seminars, and guest lectures was prepared. Departments were assigned responsibilities for organizing the programmes with participation from experts from academia, industry, and research organizations.
7. Review of Student Support Activities, Value-Added Courses, and Skill Development Programmes.	Existing student support services, value-added courses, certificate programmes, and skill development activities were reviewed. Departments were instructed to introduce additional industry-oriented and employability-focused programmes to enhance students' professional competencies.
8. Discussion on Preparation for NAAC, PCI, and Other Statutory Compliance Requirements.	The status of NAAC, PCI, and other statutory compliance requirements was reviewed. Departments and committees were directed to update documentation.

Agenda Point	Action Taken Report
9. Planning for Green Campus, Energy Conservation, and Environmental Sustainability Initiatives.	It was resolved to strengthen Green Campus initiatives by promoting tree plantation, waste management, energy conservation, water conservation, plastic-free campus practices, and awareness programmes. Departments were instructed to actively participate in sustainability initiatives.
10. Any Other Matter with the Permission of the Chair.	Various suggestions received from the members regarding academic quality improvement, student welfare, institutional best practices, and infrastructure enhancement were discussed. The suggestions were approved for implementation in a phased manner after obtaining necessary administrative approval.

ACTION TAKEN REPORT (ATR)

1. AQAR-3 Submission and AQAR-4 Documentation

AQAR-3 data for the academic year 2024–25 has been compiled and prepared for submission. Documentation templates for AQAR-4 (2025–26) have been circulated to all departments for timely data collection.

2. PCI–QCI Inspection Planning

A preliminary action plan has been prepared. Departments and committees were instructed to update records, ensure infrastructure readiness, and comply with PCI–QCI requirements.

3. B.Pharm and Pharm.D Classwork & Syllabus

Departments have been instructed to strictly follow the academic calendar. Periodic reviews of syllabus completion and classwork progress are being conducted by HODs.

4. Up-gradation of NIPS Committees

The list of 45 committees has been reviewed and updated. Revised committee structures, roles, and responsibilities have been communicated to the concerned members.

5. Attainment of COs and POs

Faculty members have been instructed to strengthen outcome-based education practices. CO-PO mapping, assessment analysis, and corrective actions are being implemented.

6. Orientation Programme

Orientation programme plans have been finalized. Departments are coordinating to conduct sessions covering academic rules, examination regulations, mentoring, and student support services.

7. IQAC Calendar Planning

The IQAC calendar has been drafted and circulated. Scheduled activities are being implemented as per the approved plan.
